# SECOND ANNUAL TASTE OF LIFE TO BENEFIT WOMEN'S CARE CENTER OF NORTHEAST INDIANA

Auburn, IN – There's a place in our area where moms facing challenging pregnancies can find unconditional love and support: Women's Care Center of Northeast Indiana. Since opening in July 2016, almost 1000 women have walked through our doors looking for help and finding it through ultrasounds, caring and trained counselors, parenting classes, diapers, formula, and so much more.

You can become a part of this community of love! Plan to attend Taste of Life benefitting Women's Care Center on April 6<sup>th</sup> from 6-9 PM at the Steuben County Event Center (100 LN 101B, Crooked Lake, Angola). Taste of Life is a fun night out tasting the region's finest wines and craft beers, enjoying a delicious dinner, trying to win "A Few of My Favorite Things" from local celebrities, and testing your baby knowledge to win \$500!

"We've been growing so quickly! Our staff is increasing to keep up with the demand for our services. We're expanding the classes we offer to the parents who come to the center. It's truly a blessing to be able to serve the community by building stronger families," said Anna Marrah, Executive Director at the Women's Care Center of Northeast Indiana. "With all this growth comes a need for additional funding. Taste of Life is a fantastic way for those who love the mission to support our work!"

Tickets are \$40 per person and can be purchased online at [bit.ly/wcc2019](http://bit.ly/wcc2019). Must be 21 or older to attend.

Sponsorship opportunities are still available. To learn more, contact Ann Freeman at 260.333.7117.

Normal business hours at the Auburn location are Monday, Wednesday, Thursday, and Friday 9am-5pm; Tuesday 11am-7pm. Appointments preferred; walk-ins welcome. Nationally, the organization serves 28,000 women annually from 32 centers in 11 states.
