BEFORE CONFESSION

1. **Pray** for the grace to make an honest confession. Remember: this is between you and God.
2. **Reflect** on ways you may have harmed your relationship with God, others, or even yourself.
3. Consider using an "**Examination of Conscience**" to guide your reflection.

DURING CONFESSION

1. **If it has been awhile** and you are unsure what to do, tell the priest. He will gladly guide you through what to say when.
2. Tell your sins aloud to the priest, who is standing "**in the person of Christ.**" He does not take notes and does not judge.
3. Make an "**Act of Contrition,**" an expression that we are sorry for our wrongdoings.

AFTER CONFESSION

1. **Go in peace.** God's grace is outpoured in the sacrament in a unique way that will remain with as you go forth.
2. **Make your penance.** This is a prayer or an action given to you by the priest.
3. **Resolve** to leave sin behind and to return to the forgiveness and grace of sacrament when needed.
